UDOT to Close I-15 Overnight in Both Directions for Bridge Move in Lindon March 19

WHAT: Construction teams on UDOT's Utah County I-15 Corridor Expansion (I-15 CORE) are scheduled to close I-15 overnight in both directions between the Pleasant Grove and Orem 1600 North interchanges on Saturday, March 19, from 11 p.m. to Sunday, March 20, at 10 a.m. Lane restrictions on I-15 will begin at 10 p.m.

Crews will be moving the new 200 South overpass bridge from where it was constructed on the east side of the freeway to its permanent location over I-15.

During the closure, I-15 traffic will be detoured along Geneva Road, Lindon 700 North and Pleasant Grove Boulevard. A detour map is available at udot.utah.gov/i15core. For safety, there will not be a public viewing area for this bridge move.

The Lindon 200 South bridge is one of 63 structures on the I-15 CORE project that will be new, rebuilt or modified on the 24-mile project. The bridge is expected to open in mid May.

WHEN: Saturday, March 19, from 11 p.m. to Sunday, March 20, at 10 a.m.

WHERE: I-15 Closure: Between Pleasant Grove and Orem 1600 North I-15 Interchanges
Bridge Location: 200 South in Lindon

-UDOT-

Construction activities and dates are subject to change. Dates are weather-permitting and could change with short notice. Please check the I-15 CORE website (udot.utah.gov/i15core) or the project's Twitter feed (twitter.com/i15core) for the latest information.
